## SERVICE OVERVIEW

---

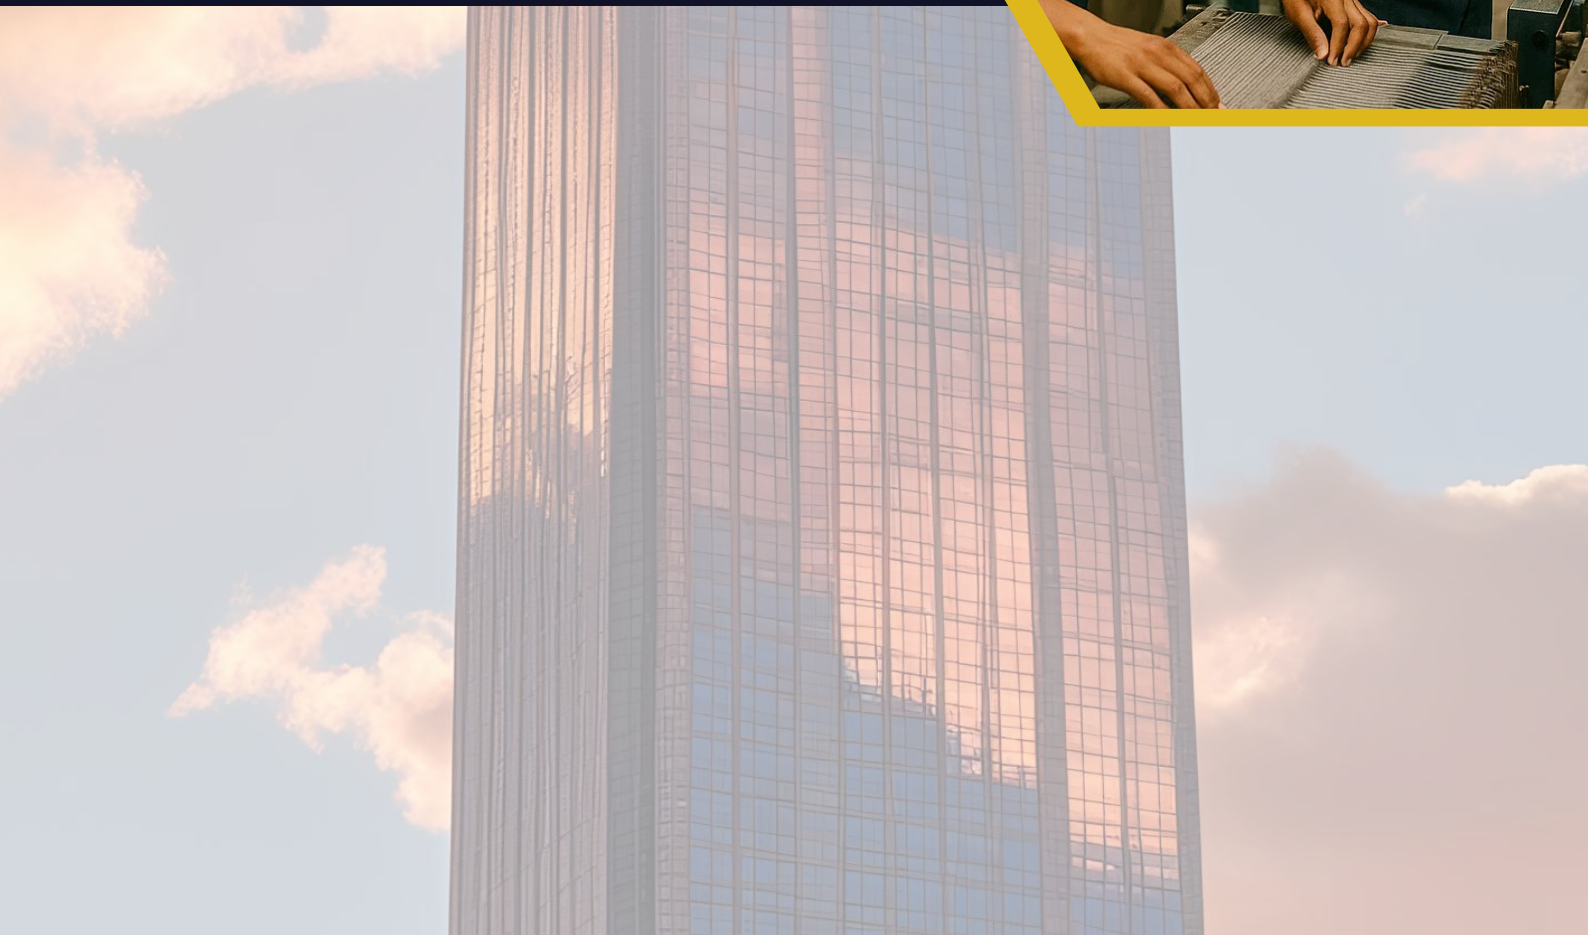

At Wyatt Veritas Group, we specialize in end-to-end labour outsourcing and workforce management solutions that allow businesses to focus on their core operations while we handle the complexities of human resource provisioning. Whether your needs are for project-based manpower, scalable teams, or fully outsourced workforce solutions, our offerings are structured to be flexible, compliant, and performance-driven.

We take full accountability for sourcing, onboarding, supervising, and managing your workforce, helping you achieve operational efficiency, mitigate compliance risks, and reduce HR overheads.

# CORE SERVICES

---

*Workforce Solutions  
That Work for You.*

## 01 AGILE LABOUR DEPLOYMENT

We supply skilled, semi-skilled, and unskilled labor across a wide array of industries including :

- Manufacturing
- Logistics
- Agriculture,
- Construction
- Healthcare
- Retail

and more.

### SERVICE SCOPE

- Custom-matched talent for your specific operational requirements
  - Quick turnaround times for urgent staffing needs
  - Multi-site deployment capability
  - Fully managed onboarding process
-

## 02 TEMPORARY & LONG-TERM STAFFING

Need workers for a few days, weeks, or an extended period? We provide temporary, seasonal, and long-term staffing arrangements with the flexibility to scale up or down.

### SERVICE SCOPE

- Scalable workforce aligned with demand
- No long-term HR liabilities for your business
- Reduced cost of hiring and training
- Dedicated account managers for every engagement

## 03 TOTAL WORKFORCE LIFECYCLE MANAGEMENT

We don't just supply labor—we manage their full lifecycle from hiring to exit. Our structured approach ensures that workforce productivity, discipline, and compliance are maintained throughout.

### SERVICE SCOPE

- Talent sourcing and interviews
- Contracting and legal onboarding
- Daily attendance and timesheet tracking
- Performance evaluation and reporting
- Conflict resolution and worker engagement

## 04 INTEGRATED PAYROLL & COMPLIANCE SERVICES

Our payroll solutions ensure that outsourced workers are paid accurately, timely, and in full compliance with labor regulations.

### SERVICE SCOPE

- Salary processing and payslip generation
- Statutory deductions (e.g., NSSF, NHIF, PAYE)
- HRMIS and compliance documentation
- Audit-ready records and transparent reporting

## 05 RISK-BASED DEPLOYMENT & BACKGROUND VETTING

We understand that certain roles carry more risk than others. We implement risk-sensitive vetting protocols to ensure you get the right personnel for your environment.

### KEY FEATURES

- Background checks (criminal, employment, reference)
- Industry-specific health and safety training
- Role-specific induction
- Deployment aligned to risk category (e.g., high-security, industrial hazards)
